

Supporting NDIS Participants Living with MND

Motor Neurone Disease Association of NSW

15 February 2018
Wollongong

2 hour sessions for allied health professionals and care providers

Session 1 - 10am to 12pm for Allied Health Professionals

By the end of the session you will know more about:

- motor neurone disease and what to expect when providing services for people with MND
- MND NSW and resources available including equipment and Coordination of Supports
- MND NSW experience in pre-planning and implementing NDIS plans
- working within a changing landscape of private practice
- the possibilities of health services becoming NDIS service providers
- maintaining multidisciplinary care

Session 2 - 1pm to 3pm for Care Providers who provide

support services in the home. By the end of the session you will know more about:

- motor neurone disease
- how the care needs of people living with MND change over time
- the challenges and rewards for organisations providing services for people living with MND
- building the capacity of your service
- MND NSW and resources available
- MND NSW experience in linking with NDIS care providers
- becoming a care provider of choice for people living with MND

Location Vue Room. Wollongong Golf Club, 151-161 Corrimal St, Wollongong

Cost there is no charge for you to attend the session but you will need to reserve your place. Please choose the session that is most relevant to you. Light refreshments will be provided between 12-1pm for the two sessions.

Register by 9 February 2018 at www.mndnsw.asn.au/ndis-workshop
