

# MND Aware

Motor Neurone Disease Association of NSW

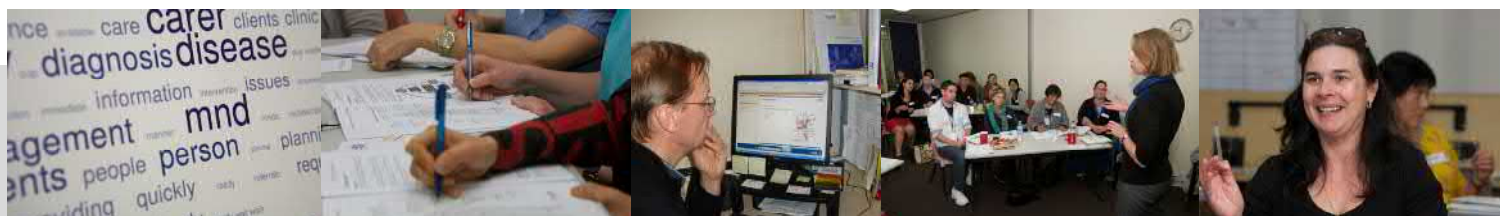

Wednesday 29 July 2020

10am to 3pm

Tamworth NSW

To support you to make a real difference to a person with motor neurone disease, their carer and family

MND is a rapidly progressive disease with no known cure and limited treatment. To maintain quality of life, people with MND require a coordinated approach to care.

The Motor Neurone Disease Association of NSW (MND NSW) is running a limited number of face-to-face training sessions across metropolitan and regional NSW.

## Location

West Tamworth Leagues Club  
58 Phillip Street, West Tamworth  
10am to 3pm

If you are a registered health practitioner, by completing this course you are eligible to receive up to 5 Continuing Professional Development points (CPD) as part of your ongoing professional development obligations. Please refer <https://www.ahpra.gov.au> for more information.

## Registration

**\$120 including lunch, training booklet and certificate of attendance**

Register online at [www.mndnsw.asn.au](http://www.mndnsw.asn.au) by Friday 24 July 2020

For more information: [reg@mndnsw.asn.au](mailto:reg@mndnsw.asn.au) or ph. 8877 0999 or Freecall 1800 777 175.

The MND Aware training has been specifically developed for:

- health, allied health and palliative care professionals
- community, home care, disability and aged care workers
- Coordinators of Support, key workers
- NDIA staff

You will learn about:

- the impact of MND
- effective ways of responding to people with MND

Other MND Aware training offered in 2020:

- Gosford - 28 February
- Penrith - 22 May
- Griffith - 24 September
